SETUP & PRODUCTION

ARTIST EQUIPMENT

Pioneer XDJ-RX3 · 2 × QSC K12.2 · 2 speaker stands · 2 wireless microphones.

SPACE & COORDINATION

Stable table and appropriate space for setup. Power supply, monitoring, placement, weather protection and sound level limits must be agreed with the venue and production team.

BEFORE THE EVENT

Confirm which equipment is included in the proposal, venue system compatibility, access and load-in, setup and soundcheck schedule, repertoire and event running order.

TRAVEL & COMMERCIAL TERMS

Travel, accommodation, set duration, payment, cancellation and rescheduling are agreed individually. This sheet is for technical coordination and is not a contract or a guarantee that every item is included.
